

Kerim ORHON

Kerim ORHON was born in Ankara in 1969. Following his secondary and high school education at Ankara Atatürk Anadolu Lisesi and Ankara Fen Lisesi respectively, he received his BSc degree from Middle East Technical University as Civil Engineer in 1992 and MSc degree from the same university on water resources engineering in 1995.

Kerim ORHON started his professional life in 1992 as a design engineer at SUIŞ PROJE Engineering & Consultancy Co. Ltd., one of the oldest Turkish companies working at master plan, feasibility, detailed design and construction supervision stages on water and land resources development projects. He worked as engineer and project coordinator for various dam, irrigation, water supply, hydropower and flood mitigation projects mostly in Turkey, also in Azerbaijan and Albania.

Kerim ORHON is a shareholder of SUIŞ PROJE since 2011 and he has been working as Company Director since 2012. He is married and has two children.
